

ZMT ALUMNI FELLOWSHIP

CALL FOR APPLICATIONS

We invite applications for the ZMT Alumni Fellowship 2019 – a new initiative by ZMT to foster the institute's alumni network and cooperation among its alumni and researchers. The ZMT Alumni Fellowship includes a four-week research stay at ZMT in 2019 for up to five alumni. The aim of the fellowship is to encourage joint publications of ZMT researchers and alumni and/or to prepare research proposals together.

Details of the Fellowship:

Selected ZMT Alumni Fellows are invited to stay in a working group at ZMT for four weeks in 2019. Travel costs (return flight to and from Bremen) and living expenses (EUR 2000 for room and board) will be covered.

Fellows are guests in a working group and should select the work group in advance and specify in their application together with the workgroup leader the specific goal of their stay. The output of the fellowship should be a joint paper (ready for submission), a joint research proposal (please, specify the call, if possible) or a capacity development /stakeholder engagement project proposal or policy brief. Fellows will be selected according to the feasibility and innovative potential of the proposed project. We aim at having a regional and disciplinary diversity among the invited fellows.

Who can apply?

All ZMT alumni can apply (alumni is a person who stayed at ZMT longer than four weeks). The last stay at ZMT of applicants for the Alumni Fellowship should have ended in March 2018. Applications from alumni who return to ZMT after a longer period of absence are highly appreciated.

Your Application:

- Please fill in the application form, including a brief description of your cooperation interest and envisaged project for the stay at ZMT (e.g. publication, project proposal, funding application), including the period you would like to stay at ZMT. The more precise your project is the better.
- Current CV, including list of publications.
- Letter of support from the ZMT workgroup leader

The documents shall be merged in one PDF file.

We are looking forward to receiving your applications until **February 10, 2019** to **Dr. Janine Reinhard** (janine.reinhard@leibniz-zmt.de). Successful candidates will be informed by mid-March 2019.

For further questions please contact Janine Reinhard (email: janine.reinhard@leibniz-zmt.de, Tel: +49-421-238 00-86).
