**The 2nd East African Regional Marine Science DAAD Alumni
Conference**

**“Sustainability and Regional Linkages in the East African Marine
Ecoregion”**

**Stella Maris Hotel Bagamoyo, Tanzania
24th -29th July 2018**

The 2nd East African Regional Marine Science DAAD-ZMT Alumni Conference

Preliminary program

Tuesday 24 July 2018: Arrival	
Day 1 Wednesday 25 July 2018	
0830-0900	Registration
0900-0915	Welcome note & DAAD Alumni work: Dr. R. Katikiro
0915-0930	Leibniz centre for Tropical marine ecology: Dr. A Kunzmann
0930-0945	DAAD Alumni events: Mrs. M Palm
0945-1015	Official opening; Representative of German Embassy
1015-1030	Group photo & coffee break
1030-1100	Keynote 1: Pierre Philippe (FAOTZ), The Zanzibar Mariculture hatchery
1100-1130	Keynote 2: Dr. Muhando, C. Coastal and Marine Research in WIO region, IMS-Zanzibar
1130-1200	Plenary discussions
1200-1300	Lunch break
	COASTAL ECOLOGY & CLIMATE CHANGE (Chair Tuda, Rap, Fabiani)
1300-1315	Zenbeto, Z Ethiopia , Bacterial growth and grazing: implications for nutrient cycling
1315-1330	Rushingisha G Tanzania , Effect of temperature stress on structure and functioning of seagrass meadows
1330-1345	Kihia CM, Kenya , Mangrove endophytes; potential sources of novel bioactive metabolites
1345-1400	Katikiro R, Tanzania , Eco-dive sites as a potential tools for mitigating negative impacts on coral reefs
1400-1415	Limbu SM, Tanzania . Chronic exposure to ubiquitous low environmental concentrations of antibiotics cause systemic adverse effects in Nile tilapia (<i>Oreochromis niloticus</i>) and provoke differential human health risk
1415-1430	Mahingika H, Tanzania . Climate change
1430-1445	Chauka L, Zanzibar . Coral review
1430-1500	Plenary
1500-1515	Coffee break
	WORKING SESSION: Research & collaborations
1515-1545	Keynote 3: Dr Kivengea, NRF Kenya “Investing in ST&I; The case for Marine Resource Exploration & Exploitation”
1545-1600	Plenary
1600-1700	Group work

1700-1730	Day review
1730-	Social programme
Day 2 Thursday 26 July 2018	
0830-0900	Registration
0900-0920	Keynote 4: GIZ
0920-0940	Keynote 5: ZMT
0940-1000	Keynote 6; DAAD
1000-1020	Plenary discussions
1020-1040	Coffee break
1040-1230	MARINE FISHERIES (Chair Rushingisha, Rapp Zenbeto)
1040-1055	Tuda R, Kenya , Dealing with overexploitation in the
1055-1110	WIO Region
1110-1125	Fabiani G, Tanzania , Fisheries and Food security in
1125-1140	Tanzanian Coastal communities
1140-1155	Geshaw T, Ethiopia , Impact of small meshed gillnets on fish stocks
	Francis, Tanzania . Sea cucumber DNA
	Silas MO, Tanzania . Artisanal fishery.
	Matiku, Tanzania . Fish DNA
1230-1400	Lunch break
1400-1530	MARICULTURE (Chair Fabiani, Rapp Lewo)
1400-1415	Imam, R, Kenya , Towards jump-starting Kenya's
1415-1430	Finfish Mariculture: Status, bottlenecks and way forward
	Kihia CM, Kenya . Bottlenecks in the development of culture protocols for local polychaetes
	Dr. Kunzmann A . Overview of mariculture projects implemented by ZMT in WIO region and way forward. We may give him longer time, let say 1430-1530
1530-1600	Coffee break
1600-	Keynote: Dr. Mahongo S . Oceanography and related sciences in WIO
1700-1720	Feedback session & end of day two
Day 3 Friday 27 July 2018	
0830-0900	Registration
0900-0920	Address by the Manager of Marine Parks and Reserves Unit-Tanzania
0920-0940	Address by the Director of Internationalisation and networking of the University of Dar es Salaam

0940-1000	Address by the WIOMSA Executive Secretary
1000-1020	Plenary discussions
1020-1040	Coffee break
1040-1230	OCEANOGRAPHY (Chair Okeyo, Rapp Geshaw)
1040-1140	Mahongo, Shigalla, TAFIRI DSM
1230-1400	Lunch break
1400-1530	AQUATIC CONSERVATION & LIVELIHOODS (Chair Kivengea, Rapp Imam)
1400-1415	Morara G, Kenya , Socio-Economic Empowerment & Natural Resource Management for Sustainable Development: Profiling Priorities of Kenya's Coastal Community.
1415-1430	Katikiro R, Tanzania , Community based actions to protect turtles from plastic litter in coastal district, Tanzania
1430-1445	Benansio JS S. Sudan , Factors limiting local community participation in coastal tourism; Lessons from Zanzibar.
1445-1500	Mahingika H, Tanzania . Role of marine protected areas in marine biodiversity conservation and community livelihoods
1500-1515	Karata E, Tanzania . Community perception
1515-1530	Mafwili A, Tanzania . Ecological Knowledge
1530-1545	Gwambene, Tanzania . Conservation & lives
1545-1600	Mesaki, Simeon, Tanzania . Feasibility functioning and fate (future) of marine parks and reserves in Tanzania
1600-1615	
1545-1600	Coffee break
1600-1700	GROUP WORK: Future of alumni, Research, policy & activities
1700-1730	Perspectives on way forward to sustainability and prosperity of East Africa region
1800	End of day three
Day 4 Saturday 28 July 2018	
0900-1730	Excursion to Saadan National Park/Old sites in Bagamoyo
Day 5 Sunday July 29 2018: Departure
