

The Leibniz Centre for Tropical Marine Research GmbH (www.leibniz-zmt.de) is an independent research and teaching institute that provides scientific knowledge for the protection and sustainable use of tropical coastal ecosystems. To this end, we work in an inter- and transdisciplinary manner with our partners in the tropics. The ZMT is a member of the Leibniz Association.

The working group Institutional and Behavioural Economics is (subject to release of funds) looking for a

Student assistant

(Reference: 1-IBE)

Your tasks:

- Help us with administrative tasks we have to fulfil in our working group
- Assist with the data analysis within the various projects
- Organise events

Requirements:

- as a motivated and kind student at a German University
- preferably being a student at the master level in any social science field and/or in the marine science field, but with a strong interest in social processes
- who is interested in our topics and wants to get more insights on how such research is organised
- being well organised and willing to help with organising events (e.g. the Leibniz Environment and Development Symposium) or any other activity which is part of the academic process (e.g. literature search, data analysis)
- who want to get more involved in our research and potentially find together a topic for your thesis.

Details of position:

- 20 hours/month employment starting as soon as possible. It is possible to reduce the number of hours if wished
- Duration: one year with the possibility of an extension
- Flexible work conditions are possible

ZMT is an equal opportunity employer. Applicants with a migration background are welcome. Persons with severe disabilities are given special consideration if they have the same professional and personal qualifications. The ZMT values its diverse workforce and pursues the goal of providing equal opportunity, which incorporates gender neutrality (gn). We will be happy to accept your documents without a photo.

Further information:

For questions, please contact Prof. Dr. Achim Schlüter, email: achim.schlueter@leibniz-zmt.de

We offer:

- A challenging and varied job in an international, dynamic and interdisciplinary research environment
- A motivated and committed team from different countries and cultures
- An open and cooperative working atmosphere
- Interesting, varied and challenging tasks and family-friendly working conditions

Submission of application:

Please submit your CV including publication list, a brief statement of motivation, and the names and contact information of two referees **as a single pdf file** with the reference number **"1-IBE"** to Ms. Carina Seemann, email: bewerbung@leibniz-zmt.de. The selection process begins on **05.02.2025** and ends when a qualified person is found.

Leibniz Centre for Tropical Marine Research, Fahrenheitstraße 6, D-28359 Bremen.
